
Radar Clutter Vol 5

issn 2091-2730 radar clutter, its avoidance and rejection ... - abstract: radar clutter may be defined as unwanted signals in a search radar. different types of clutters, their identification, avoidance and various types of techniques are illustrated in this paper. clutter rejection, various radars used for this purpose, and the applications of such radars are discussed in this paper. **178 ieee transactions on signal processing, vol. 55, no. 1 ...** - 178 ieee transactions on signal processing, vol. 55, no. 1, january 2007 on clutter rank observed by arbitrary arrays nathan a. goodman, member, ieee, and james m. stiles, senior member, ieee abstract—this paper analyzes the rank and eigenspectrum of the clutter covariance matrix observed by space-time radar **4670 ieee transactions on signal processing, vol. 65, no ...** - given clutter parameter estimates, various detection methods, such as the glrt [15] and the rao-and-wald detector [16], can be applied. to further improve the target detection and estimation performance, the radar system can be optimized based on the characteristics of the target, clutter and noise. in mimo radar, two types of optimization can be performed. **vol. 3, issue 9, september 2015 a survey on target ...** - effect of radar detection capability at sea clutter involves three factors: the distribution of sea clutter characteristics; the impact on the detection of target properties; the impact of the detected radar platform. sea clutter is the radar signal irradiated to the surface of large quantities of scatterers echo superimposed sea **4408 ieee transactions on antennas and propagation, vol ...** - 4408 ieee transactions on antennas and propagation, vol. 60, no. 9, september 2012 multiple grazing angle sea clutter modeling ali karimian, caglar yardim, member, ieee, peter gerstoft, williams. hodgkiss, member, ieee, and amalia e. barrios abstract—radar clutter in a non-standard atmosphere usually is modeled based on a single grazing angle at each ... **modeling of bistatic radar clutter - perner's contacts** - number 2, volume vii, july 2012 pola, bezoušek: modeling of bistatic radar clutter 119 fig. 5 shows the average power p_c get on the receiver as a function of the distance r_c to the center ellipse of the each resolution belt axis graph could be used to demonstrate how **radar clutter and chaff - ll.mit** - radar course_20.ppt odonnell (1) 6-19-02 attributes of rain clutter • rain both attenuates and reflects radar signals • problems caused by rain lessen dramatically with longer wavelengths (lower frequencies) - much less of an issue at l-band than x-band • rain is diffuse clutter (wide geographic extent) - travels horizontally with the ... **international journal of distributed harmonic clutter ...** - acc is improved using the proposed clutter suppression method. this article is organized as follows. in section “clutter recognition,” we present a description of the radar model and the spectral analysis of the received signal in accordance with various road environments. then, we discuss in detail the proposed harmonic clutter **mitigation of wind turbine clutter for weather radar by ...** - uysal et al.: mitigation of wind turbine clutter for weather radar by signal separation 2927 is not easily resolvable due to the limited coherent processing interval. in fact, the wtc spectrum appears similar to that of a noise signal combined with a strong zero doppler return. **evaporation duct retrieval using changes in radar sea ...** - when sea clutter is measured by a radar system with inappropriate frequency and antenna height. therefore, more sources of radar clutter observations are necessary to improve rfc performance in edh retrieval. in this paper, we introduce a new edh retrieval method, which takes advantage of radar sea clutter received at various heights. the **ieee transactions on signal processing, vol. 59, no. 10 ...** - ieee transactions on signal processing, vol. 59, no. 10, october 2011 4809 moving target detection using distributed mimo radar in clutter with nonhomogeneous power pu wang, member, ieee, hongbin li, senior member, ieee, and braham himed, fellow, ieee abstract—in this paper, we consider moving target detection **circuits and systems: an international journal (csij), vol ...** - circuits and systems: an international journal (csij), vol. 2, no. 1, january 2015 13 fpga design of clutter generator for radar testing thotempudi pardhu 1 and nekhyia reddy 2 1 assistant professor, department of electronics and communication engineering, marri laxman reddy institute of technology & management, hyderabad, india **1318 ieee transactions on antennas and propagation, vol ...** - 1318 ieee transactions on antennas and propagation, vol. 54, no. 4, april 2006 estimation of radio refractivity from radar clutter using bayesian monte carlo analysis caglar yardim, student member, ieee, peter gerstoft, and william s. hodgkiss, member, ieee abstract—this paper describes a markov chain monte carlo **the modelling of radar sea clutter - etheses repository** - the modelling of radar sea clutter 1. papers presented in the thesis the papers listed below are the subjects of this thesis. they are referenced by number in the supporting text and the full papers are appended to the thesis, labelled paper 1, paper 2 etc. [1] k d ward, c j baker and s watts, “maritime surveillance radar part 1: radar **a novel simulator of radar clutter environment** - simulate radar clutter for the first time. the similarity between reverberation chamber field environment and radar clutter environment and the feasibility of simulating radar clutter environment in reverberation chamber are analyzed. a novel spectrum model which is proposed and show a good agreement to the measurement data.
